

College of Engineering Quick Facts

Academics

- Ohio State's Engineering program is consistently ranked in the top 20 nationally among public universities.
- Engineering students can choose from 16 different degree programs in our departments of:

Aerospace Engineering
Aviation
Biomedical Engineering
Chemical and Biomolecular Engineering
Civil and Environmental Engineering and Geodetic Science
Computer Science and Engineering
Electrical and Computer Engineering
Industrial, Welding and Systems Engineering
Materials Science and Engineering
Mechanical Engineering
Nuclear Engineering
Knowlton School of Architecture

- 1,252 Engineering degrees awarded in 2003-2004

Faculty

- 260 full-time faculty members; 10 National Academy of Engineering members

Students

- Eighth-largest undergraduate engineering enrollment in U.S.

Undergraduate Engineering	4,836
Graduate Engineering	1,365
Engineering total	6,201

Research

- \$125 million research funding in 2003
- 40 research centers and laboratories provide students with access to state-of-the-art facilities for research and teaching

College History and Alumni

- Established by legislature in 1870 with first classes taught in 1873
- Engineering was one of seven original departments
- Engineering alumni worldwide 41,200
